

OPEN LITHUANIAN ICE-BLOKART CHAMPIONSHIP 2008

NEWSLETTER No. 1

Because of extremely warm winter and no-ice-at-all conditions in the Curonian lagoon the Open Lithuanian Blokart Championship 2008 will be held in Trakai, on Galvės lake (30 km east of Vilnius) which has ice thickness of approx. 20 cm (measured today). In the case of heavy snow or other reasons which can turn Galvė lake ice unsailable we will use the possibilities to move north-east to find sailable ice.

Accommodation: there's one good option about accommodation in Trakai: Trasalis SPA and Leisure Center Hotel. They offer 2 nights in double room for 490 Lt (142 Eur/2pers.) or 375 Lt (109 Eur/1 pers.) including foot massage, sauna, swimming pool, salt room, aquapark and etc. (detailed list at <http://www.trasalis.lt/index.php?cid=2205> in lithuanian only). This would be an ideal option as we could have a good time all together in one place. More options on accommodation are available:

<http://www.travel.lt/turizmas/extendedSearch.do>

Please inform **asap** whether to make a reservation (No. of rooms and qty of nights) for You or not at said Trasalis SPA and Leisure Center Hotel at info@irklakojs.lt.

Racing: short track races of 10 minutes are previewed, but if the conditions allow long track race format (2 or 3 laps) will be used. This will be decided at the Briefing which will take place Saturday 10.30.

RACING

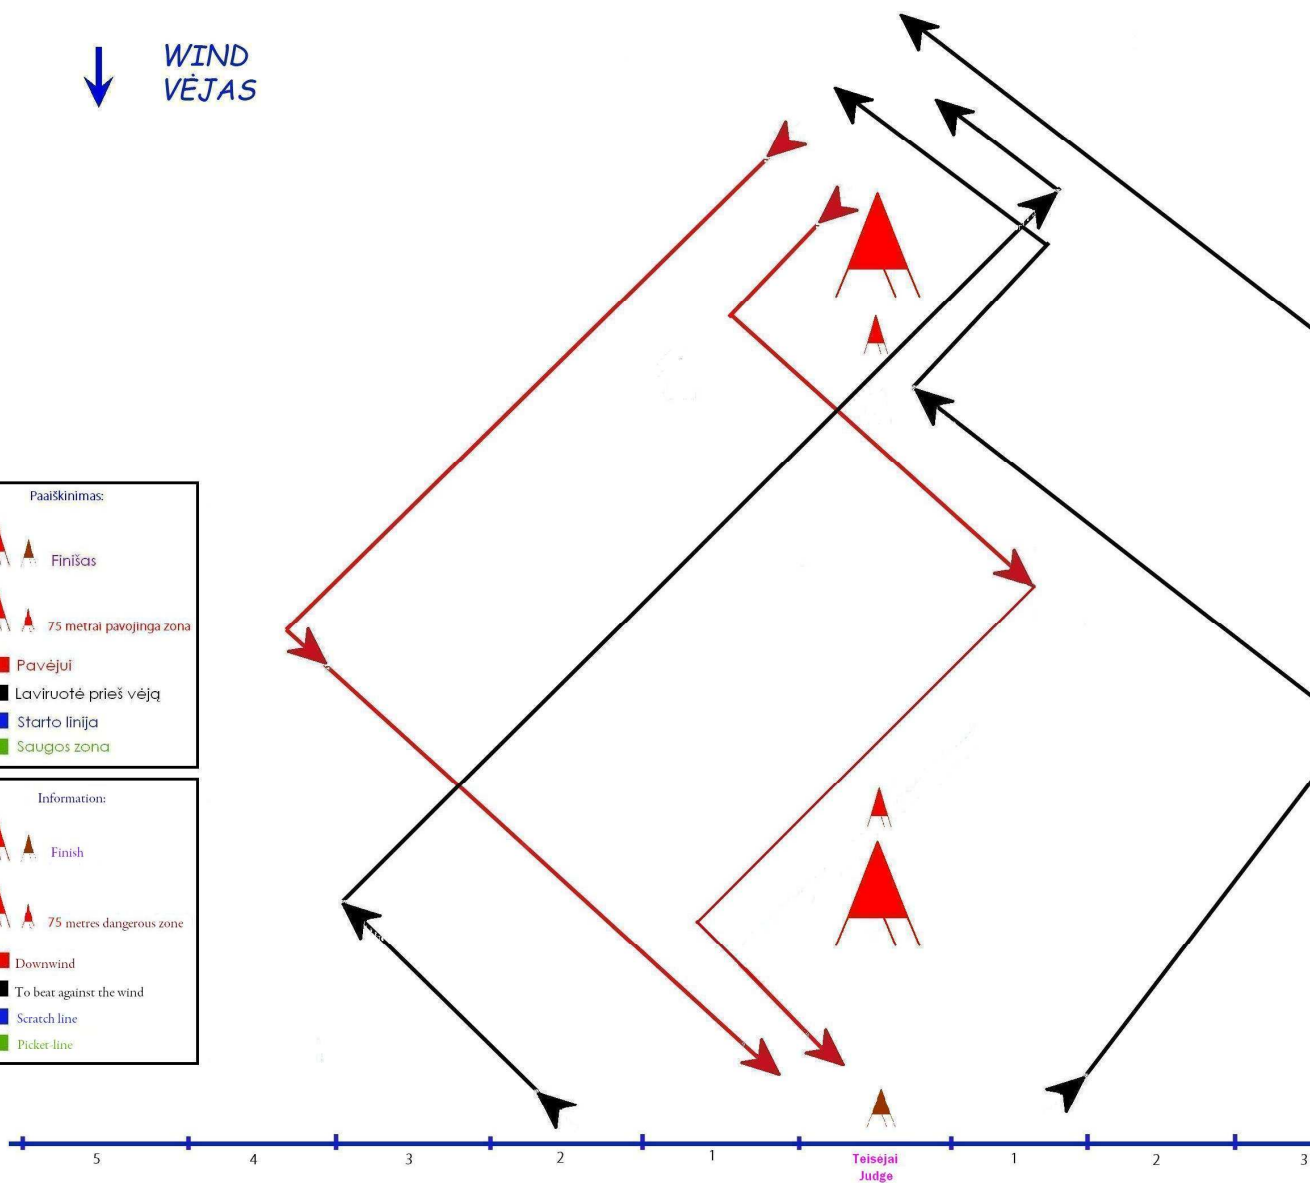

↓ WIND
VĒJAS

Paaiškinimas:
